

## Acknowledgement Form for Retailers Regarding Online Sales

Dear Maison Chic retailer,

Thank you for supporting Maison Chic. We sincerely appreciate your business and we pledge to do our best to support your efforts to sell our products in your stores and online.

In order to facilitate a level playing field for all online retailers, we have established an online selling policy which is as follows:

- All Maison Chic customers that are selling online agree to our MAP Pricing. This means that Maison Chic products will not be sold **on any online platform, including but not limited to Amazon**, for less than MSRP. Our MSRP prices are 2 times that of the regular wholesale prices.
- The only exception to the above-mentioned MAP Pricing is if products are bundled with other products. In that case, products may be sold for up to 20% off of MSRP.
- Maison Chic products are not to be sold on Walmart.com or any other discount site.
- Maison Chic limits the number of 3<sup>rd</sup> party Amazon sellers. Please contact Maison Chic before putting Maison Chic products on Amazon to see if there are any openings.
- All Maison Chic customers agree to notify Maison Chic updated as to what name(s) under which they are selling online, and within 5 days of opening a new online storefront.

Please complete the information below, sign and return this form to our office indicating that you agree to abide by our online selling policy. Failure to comply with our online selling policy could lead to termination of our services at Maison Chic's sole discretion.

Please do not hesitate to call or email us if you have any questions. Phone: 404-749-5000.
